

Strategy Document

Application Objectives

The aim of our website is to keep you informed of the most popular and recent news in the world. The news will be filtered to your liking so that you don't have to watch news you are not interested in. Our special feature is that you can create your own news yourself.

Bussiness Goals

- Create a website in which everyone can participate.
- Make our website very popular.
- It offers extensive coverage of specialised topics.
- We give the benefit of being up to date on the news.

User's Goals

- Be informed about the issues that matter most to you.
- Creating your own news.
- Find any type of information.
- You will not have to pay any fees.
